Dear Dr. Thompson:

I am forwarding 61 CIA-originated documents (181 pages) selected by you during your research at the Lyndon Baines Johnson Library, Austin, Texas. These documents are released for your use in writing an official version of the U.S. Air Force history of the air war against North Vietnam. Also enclosed is a copy of the Library's shipping manifest.

The following documents contained sensitive intelligence sources and methods and have been denied for release to you:

#20, 20A, 20B, 26A, 28A, A47, 47, 47A, 65, 74B, 82A, 87, 87A, 103C, 108E, 133, 133A, 143, and 143A.

Documents #86 and 86A are pending review and, if released, will be forwarded to you later.

The usual caveats concerning CIA review prior to declassification, downgrading, or publication of material from CIA-originated documents in any UNCLASSIFIED publication apply. You will find enclosed a copy of the "CIA Access Policy" for your information.

A copy of this letter has been sent to Mr. David C. Humphrey, Archivist at the Lyndon Baines Johnson Library and to Dr. James E. O'Neill, Archivist for Presidential Libraries, NARS.
